EDUCATION

2020 - 2022

Hindu Higher Secondary School,
Ambur, Tamil Nadu.

2023 - 2026

BSE – AI&DS
Excel Commerce and Science, Namakkal,
Tamil Nadu.

WHY SHOULD HIRE ME ?

- **Dual Expertise** — Strong blend of design thinking (UI/UX) and technical skills (front-end + AI/ML).
- **Up-to-Date Tech Stack** — Hands-on with JavaScript, Angular, Bootstrap, HTML/CSS, and Figma/Adobe XD.
- **Project Experience** — Completed real-world projects like attendance systems, ML predictions, and dashboards.
- **Fast Learner** — Quick to adapt to new tools, frameworks, and challenges.

INTERNSHIP

- Completed an internship in Chennai focused on AI & ML, where I worked on real-time projects involving predictive models and data analysis.
- During college, I worked on full-stack projects using Java, JSP, MySQL, HTML, and CSS. These included attendance and task management systems, which helped me gain hands-on development experience before my internship.
